Dear Stephanie,

Thank you for your letter of 25th June requesting there be no undue delay in RTÉ communicating support for the proposed 4% increase in pensions in the RTÉSA Scheme, effective 1st January 2024.

I can confirm that the RTÉ Board has fully and formally supported the proposed increase and that this has been communicated to your Scheme's Trustees. I also understand that RTÉ has communicated this to the relevant government departments.

This will hopefully ensure the proposal is dealt with as expeditiously as possible.

Finally, I can assure you that the Board considers the future of the Scheme and the welfare of its members to be of the utmost importance.

Yours sincerely,

Terence O'Rourke
Chairperson, RTÉ Board
